

SASKATCHEWAN ARABIAN HORSE ASSOCIATION

Box 26105, REGINA, SASKATCHEWAN, S4R 8R7

CLASS SPONSORS

I would like to take this opportunity to introduce you to the Saskatchewan Arabian Horse Association (SAHA). The SAHA has been the driving force in the Arabian industry in this province for 50 years. Our focus has been not only to promote Arabian and Part-Bred Arabian horses in this area, but to nurture the talents of our young and amateur equestrians.

In the backyards and farms across Saskatchewan and in the public boarding facilities across this province, you can find Saskatchewan riders and their horses preparing for this long and exciting journey to the top levels of competition. The SAHA is the starting point of these journeys.

The SAHA has long been known for providing educational clinics, recreational trail rides, and Class A shows to our riders. These shows provide our competitors with the chance to qualify to compete at the national level. We are currently looking for sponsors who are interested in sponsoring our youth classes at these shows. The costs involved in any sport can be quite substantial and can often lead to youth not being able to participate. We all know and understand the importance of keeping kids active and involved in a healthy and diverse lifestyle. With your help we can reduce the fees involved for our young competitors and give them the chance to go for their dreams.

We offer different levels of sponsorships, and ask that you give only what you are comfortable with, every little bit helps. Please take a moment to consider what you can do for our stars of the future in this province.

Thank you in advance for your generosity.

Sincerely,

Sponsorship Coordinator
Alison Smith
