

## **SASKATCHEWAN ARABIAN HORSE ASSOCIATION**

Box 26105, REGINA, SASKATCHEWAN, S4R 8R7

I would like to take this opportunity to introduce you to the Saskatchewan Arabian Horse Association (SAHA). The SAHA has been the driving force in the Arabian industry in this province for 50 years. Our focus has been not only to promote Arabian and Part-Bred Arabian horses in this area, but to nurture the talents of our young and amateur equestrians.

The SAHA has long been known for providing educational clinics, recreational trail rides, and Class A shows to our riders. It is because of these shows that I am writing. Each year, the SAHA holds Class A shows in the province to allow our equestrians and horses a chance to qualify to compete at the Regional and National level. To increase the excitement and add more competition to our shows we offer payouts in our Championship and Stake classes. In order to do this we require dedicated sponsors who are willing to fund these classes in return for publicity within the club and beyond.

The SAHA also offers its members a High Point Award Program in which competitors are recognized for their hard work and dedication throughout the year. This program would not be possible without the generous support of businesses and people such as you. We are hoping to provide prizes to the competitors who receive the highest number of points in different divisions.

For your convenience, we have developed 3 categories to provide you and your Company visibility within the Arabian industry. I hope one of these categories will entice you to help us make our Stake classes and High Point Award Program a huge success.

Thank you in advance for your generosity.

Sincerely,

Sponsorship Coordinator
